

Next week we will read and discuss Fire Safety. We will talk about:

- If our clothing should catch fire, we must remember to Stop, Drop and Roll.
- All families should have a meeting spot outside the house. Have a family fire drill and practice going to the meeting spot.
- Never play with lighters or matches
- If there is smoke in your house, crawl to a door or window
- Feel the door before opening. If the door is hot, do not open it, go to a window.
- Never stop to get a favorite toy or blanket when there is a fire
- Firemen may look scary when they are wearing their gear. Never run from them, they are there to help us.

Important Dates:

No School Monday, October 11

Silly Sock Day Monday, October 18

Early Dismissal Wednesday, October 27

Fall Fun Fest Monday, November 1 (we will need parent volunteers that morning)

I have been working with the children to have a proper grip when writing and drawing. I tell the children to pinch the crayon, pencil or marker. This means the children hold the object between their thumb and pointer finger. It would be beneficial if you reminded your child at home using these terms.

Word Wall Words: am a I little the

We will be adding: to can

Please practice spelling, writing, and recognizing these words.

The cold season is fast approaching. I always have a community box of tissues for the class to use. Our school tissues are very scratchy and not kind to small sore noses. If you would be able to donate a box of tissues, it would be greatly appreciated. Also, please make sure your child has a jacket. We do still go outside for recess even when it is cold.

Mrs. Emily Ficchi
