Wednesday, November 23: Early Dismissal AM 8:50-10:35
EDK 8:50-1:15

November 24-28: THANKSGIVING BREAK

Math: We are still studying numbers to 9. Please work with your student on naming numbers that come before and after numbers to 20.

- For example: "What number comes before 5? What number comes after 5?"

Here are videos from our Math in Focus program for parents that explains how to teach your child different math skills.

<http://www.hmheducation.com/singaporemath/helping-your-child.php>

Word Wall: I am little a the to go play have is can and
Please practice these at home with your child. We have motions to go with spelling each word. Have your children show you how to do them!

Letter Sounds: We are listening for beginning and ending sounds. You can have your child sort objects or pictures by their beginning or ending sounds.

Writing: We are working with students on drawing a detailed picture in their journal. Your child should then be able to write at least one sentence that matches the picture they wrote. REMEMBER—do not tell your child how to spell any words!! Let them sound them out. You can show them after they are done writing, the correct spelling 😊

Literacy: Please read the Family Times newsletter that comes home every week. It explains the exact skills we are working on each week.
